

PRIVACY AND COOKIES POLICY

Who We Are

Marbella Bridge Association

Calle Alonso de Bazan, Num. 5, Planta 1, Puerta D,
Marbella. 29602,
Malaga.
NIF: G93322592

Marbella Bridge treats your personal data confidentially and in accordance with the statutory data protection regulations that the protection of personal data is essential for its activities. That is why we want to give you clear and transparent information in this privacy statement about how Marbella Bridge processes personal data of their participants and visitors to our website.

This privacy statement describes which personal data Marbella Bridge processes and for what purposes this personal data is used.

Which personal data do we process:

First and last name
E-mail address
Phone number
Bridge Association number
Browser cookies

What we process your personal data for

We process and store your name and your e-mail so that we can send you information about the tournament. We keep your bridge association number in case you register again and forget to enter your number. You can always withdraw your consent by unsubscribing. We also keep your telephone number from the moment of your registration until after the tournament should we need to reach you for emergency reasons.

Third parties

Marbella Bridge can provide your personal data to the following third parties:

The AEB Spanish Bridge Association and the Arbiters directing the tournaments. Only your name and if applicable your bridge association number.

Photos

We publish photos of the tournament on the Marbella Bridge website. These fall under free news gathering, but on request, photos that you are on can be removed. Send a photo of your driving license or passport to info@marbellabridge.com so that we can confirm that it is your photo. Then we will remove the photo from the site as well as the received photo of your driver's license / passport

Social Media

Marbella Bridge participates with tournament players and bridge players alike through various social media channels, including our own website. The aim is to provide useful and relevant information and / or answer questions that are made known through social media.

Marbella Bridge actively follows the internet and social media channels, such as Facebook, Twitter and Instagram. In doing so, Marbella Bridge follows discussions on these channels, to take part and / or to take a proactive approach and to answer individual, relevant questions and comments. Marbellabridge expressly reserves the right not to respond to any question or comment. Therefore, no right can be derived from whether or not to respond to content.. Marbella Bridge is not responsible for the handling of personal data by other participants in its social media channels or the content on its social media channels. If you have questions or comments, you can contact the Marbella Bridge via info@Marbellabridge.com

Use of cookies

Marbella Bridge uses cookies when offering its services. This is a small, simple file with data that is either stored on the hard disk of your computer or in the session of your browser.

In the Cookie statement you can read all about the use of cookies by Marbella Bridge.

Websites of Marbella Bridge and other websites

On the website of Marbella Bridge you will find a number of links to other websites. Marbella Bridge cannot, however, bear any responsibility with regard to the handling by these parties of your data. Read the privacy statement, if any, of the site you are visiting.

Security for your data

Marbella Bridge will only use your information for the purposes stated in this privacy statement and will not keep it for longer than is necessary or required by law. Marbella Bridge takes adequate technical and organizational measures to protect your data.

Questions

Should you have any questions or comments about our privacy policy, please contact info@marbellabridge.com

Amendments

Marbella Bridge reserves the right to make changes to the privacy and cookie policy. We therefore advise you to regularly visit this page to check if changes have been made.
